

<b>Liquid Rhinoplasty</b> Liquid rhinoplasty uses hyaluronic acid-based fillers to reshape the nose without surgery, correcting bumps, humps, or asymmetries temporarily for non-invasive nose enhancement.	£300
<b>Men's Anti-Wrinkle Injections (20 mins)</b> Men's anti-wrinkle treatments involve injectable neuromodulators like Botox to reduce wrinkles and fine lines, providing a younger look without surgery.	From £229
<b>Masseters Muscle (Jaw Slimming) (20 mins)</b> Jaw slimming is a cosmetic procedure that involves injecting neurotoxins or dermal fillers into the jaw muscles to reduce their size and achieve a more slender facial appearance.	£350
<b>Dermal Filler Package (excludes liquid rhinoplasty + tear trough) (1 hr)</b> Dermal Filler contour package typically involves injections of dermal fillers to contour and sculpt various areas of the face, enhancing features such as cheeks, chin, jawline, or temples for a more defined and balanced appearance.	From £379
<b>Cheek Enhancement (30 mins)</b> Cheek enhancement injects fillers into the cheeks for volume, definition, and lift, enhancing cheekbones and creating a more youthful appearance.	From £200
<b>Chin Enhancement (30 mins)</b> Chin enhancement is a cosmetic procedure that enhances the shape and definition of the chin using techniques like fillers or implants, improving facial balance and harmony.	From £200
<b>Jaw Enhancement (30 mins)</b> Jaw enhancement uses filler injections to define, contour, and symmetrise the jawline for a more sculpted lower face.	From £200
<b>Dissolve &amp; Refill Lips (not on same day) (1 hr)</b>	From £300
<b>Anti-Wrinkle Injections (15 mins - 45 mins)</b> Anti-wrinkle injections, like Botox, target facial muscles to reduce wrinkles. By temporarily relaxing muscles responsible for dynamic wrinkles, it creates smoother, more youthful-looking skin.	From £150

# Facials

## Micro-Needling (55 mins - 1 hr 25 mins)

This process stimulates the skin's natural healing response, promoting collagen and elastin production. As a result, micro-needling improves skin texture, reduces fine lines and wrinkles, minimises pore size, and enhances overall skin tone and firmness.

From £100

## Facial - Micro-Needling with Skin booster (Jalupro) (55 mins - 1 hr 40 mins)

From £200

## Facials (1 hr - 1 hr 25 mins)

We have Classic deep cleanse facials, Deep cleanse & Jelly mask and Deep cleanse on acne prone skin

From £55

## Facial - Dermaplaning (1 hr 15 mins)

Dermaplaning is a skincare treatment using a surgical scalpel to exfoliate the skin, removing dead cells and fine hair. It improves texture, smooths complexion, and boosts skincare product effectiveness.

£89

## BioRepeel (1hr)

non-invasive skincare treatment with acids and enzymes for smoother, brighter skin.

£140

# Aesthetics

## Nasolabial Fold Filler up to 1ml (Smile lines) (30 mins)

£200

Uses 1ml of hyaluronic acid-based filler to smooth smile lines for a younger look.

## Dissolve Filler (1 hr)

£100

## Lip Augmentation (1 hr)

From £250

Lip Augmentation enhances lip volume and shape using fillers or implants for a more youthful appearance, addressing concerns like thin or asymmetrical lips.

## Dermal Filler Consultation (Redeemed against treatment)

£25

## Tear Trough (1 hr)

£300

Tear trough treatment reduces hollows or dark circles under the eyes by injecting hyaluronic acid-based dermal fillers. This restores volume, smoothing the under-eye area for a refreshed look.

## Skin Boosters (30 mins - 45 mins)

From £170

Skin boosters are hyaluronic acid-based fillers injected into the skin to enhance hydration, texture, and elasticity, leading to a more radiant complexion over multiple sessions.
